MOUNTING MRC+

These units are designed to stand on a flat surface. If the unit is to be wall mounted the following kits are available.

KIT	MRC+ 30-80	MRC+ 90-180
Mounting Bracket	55023218	55023219

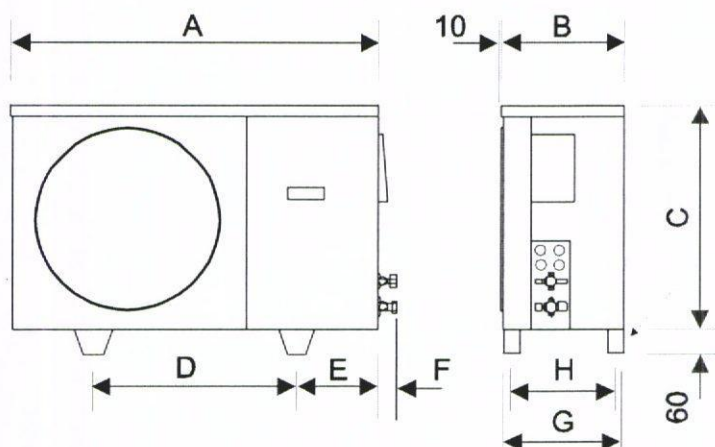

Whether floor or wall mounted, it is essential that the mounting surface is capable of supporting the unit weight. Leave space around the unit for air circulation and access for installation and maintenance.
