Subject: RE: 24 Alexandra Avenue, Hayling Island, PO11 9AL, APP/13/01042

Good morning Richard,

The play area is certainly going to change the noise climate when in use. if the play area was to be used during week day day times only, the disturbance would be minimise, however I understand that it could be used at anytimes, including week ends, evening etc..

Ultimetly the decision rests with the Planning Authority, but once this is granted, very little in noise we will be able to do thereafter.

I hope this help

Laurent
