Mrs S. Ordish APP/14/00468

Dear Mrs Haywood,
Site location 6 Greenfield Rise Waterlooville PO8 9AR
Re raised patio area.

Re our conversation when you returned from holiday on the 13th Aug.

My proposal for settling this matter is for a 2 mtr perimiter fence as shown on plans already in your possesion with the addition of a 0.3 mtr trellis. This will give all parties adequate privacy.

In accordance with your request I am willing to accept that the closing date of this matter be extended to the 27th Aug. However, I would bring to your attention that delay in the settlement of this matter has halted essential drainage work necessary to prevent flooding in neighbouring properties.
