Dear Sir/Madam

SCREENING OPINION FOR PROPOSED SOLAR PARK

LAND NORTH OF MANOR FARM BUILDINGS, MANOR ROAD, HAYLING ISLAND

Thank you for consulting the Environment Agency on the above Environmental Impact Assessment (EIA) Screening Opinion, which we received on 8 April 2014.

Environment Agency Position

Having reviewed the proposed development and the associated potential environmental constraints and possible impacts, the Environment Agency are of the opinion that the development, by reason of size, location and nature of impacts is unlikely to have any significant adverse impacts upon the environment and; therefore, does not require an Environmental Impact Assessment.

Ultimately the decision for the requirement of an Environmental Impact Assessment is for the Local Planning Authority to determine.

If you have any queries regarding the information set out above, please contact me on the details below.

Yours faithfully

Miss Verity Giles
