Planning Dept.,

Havant Borough Council.

PROPOSED TWO STOREY REAR ADDITION.
61, SEAFRONT, HAYLING ISLAND, HANTS.

With regard to the design of the roof on the above application I am aware it is normally the council policy not to accept two storey flat roofed additions.

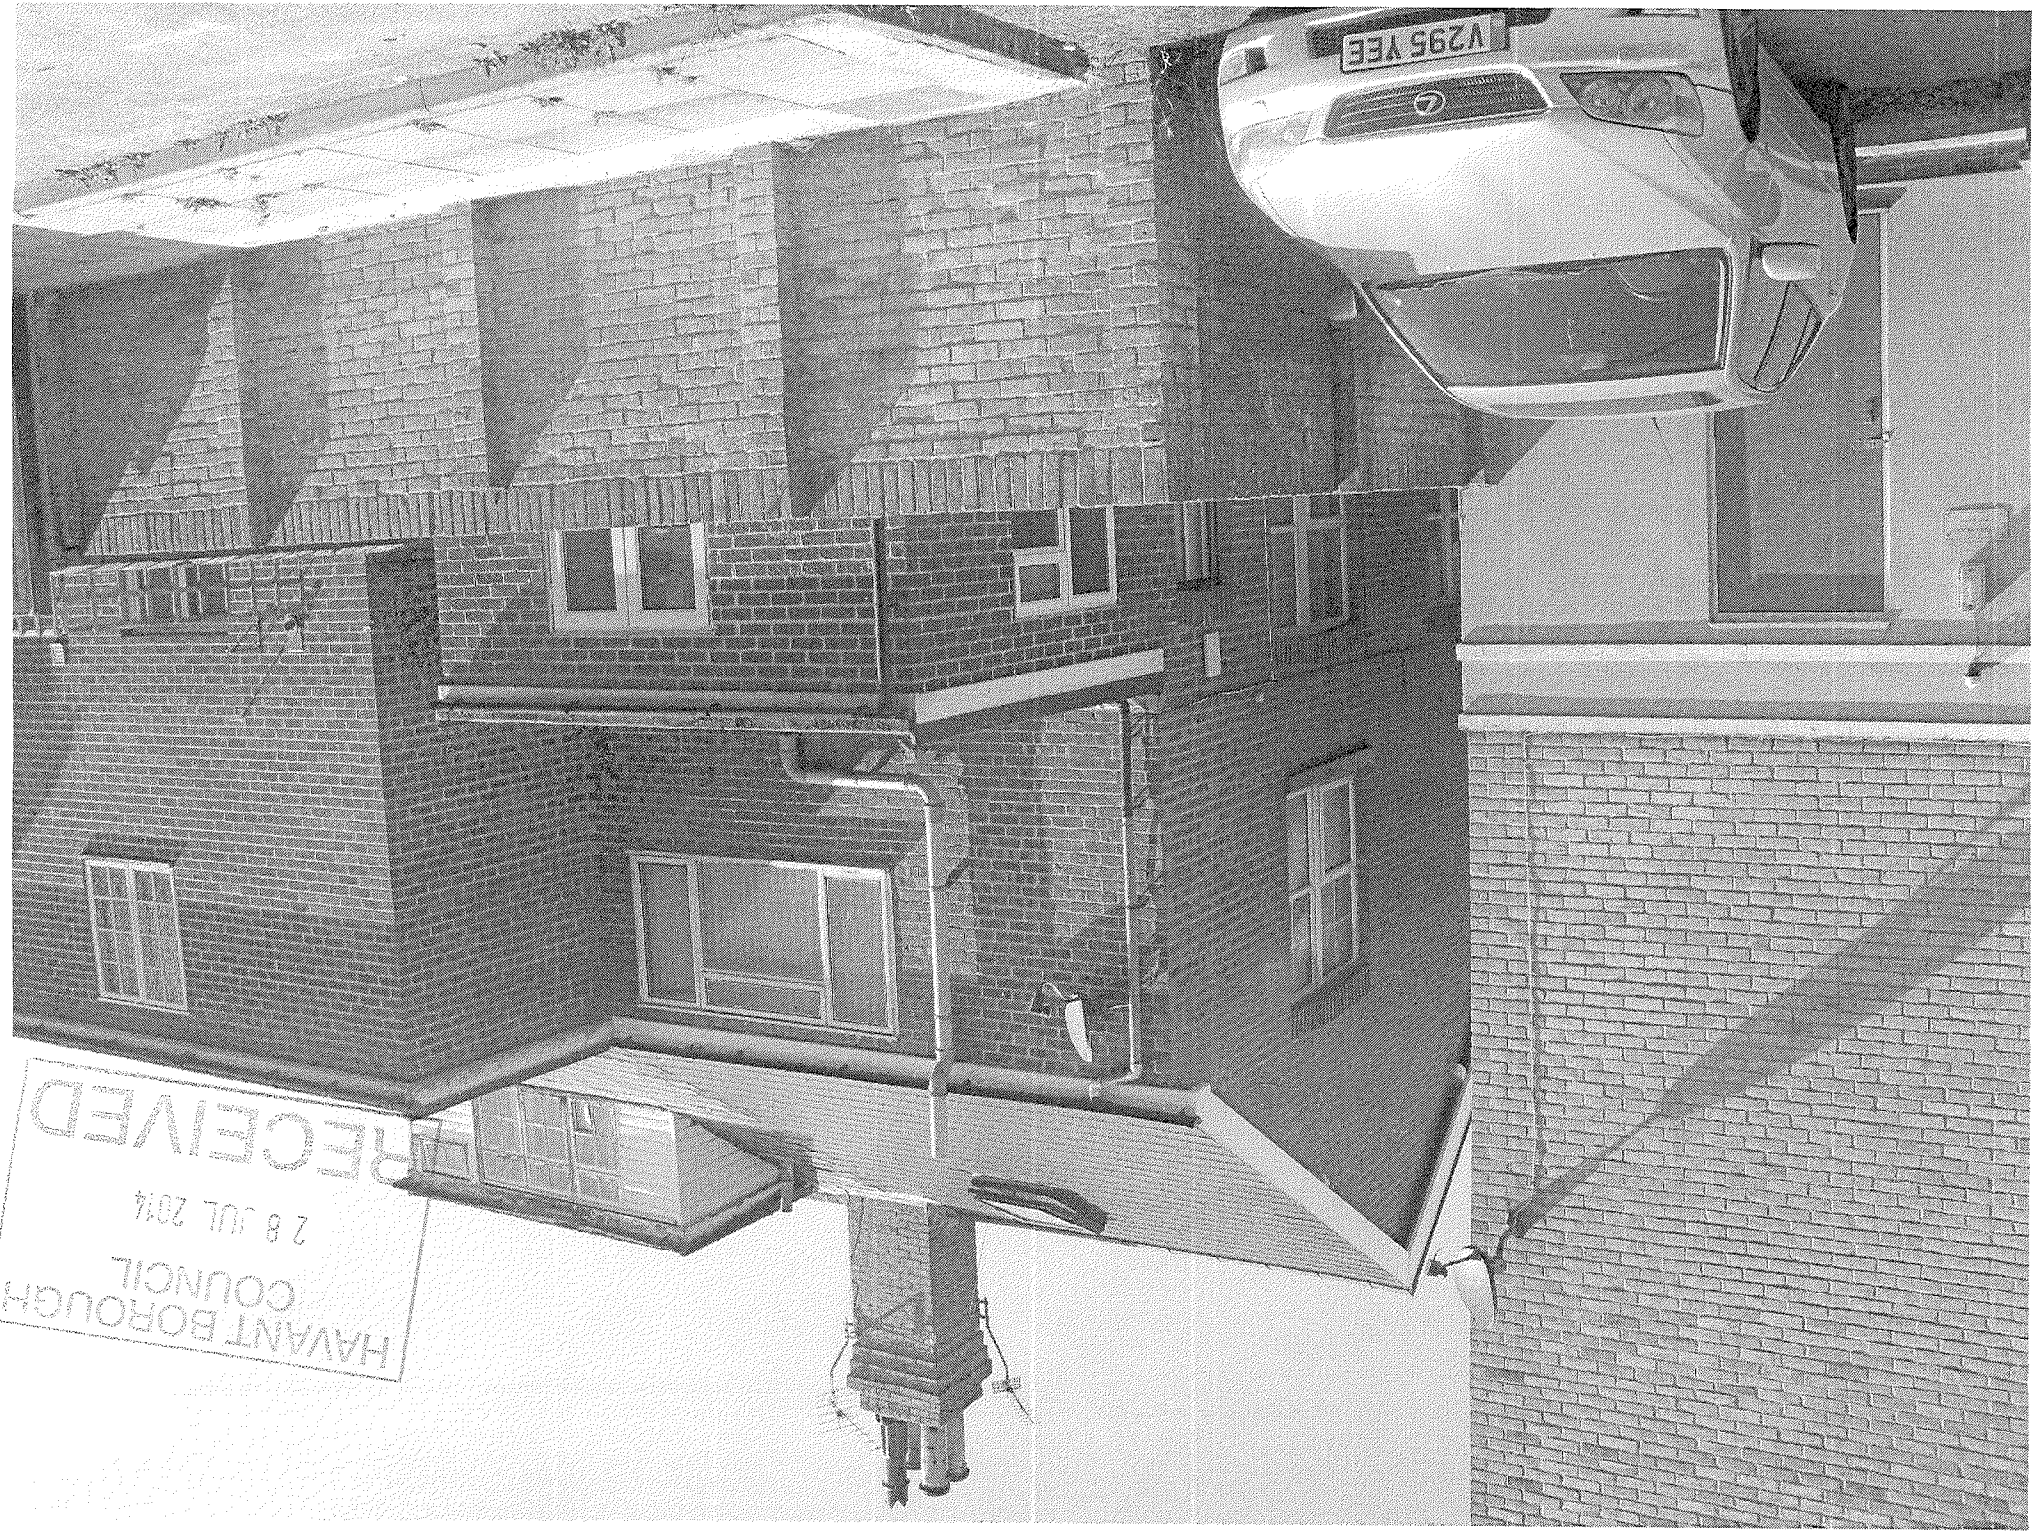

However as the adjacent property has already had a similar extension and there are other flat roofs in the vicinity, hopefully you can look favorably on this submission.

Should you require any further information please do not hesitate to contact me, I have also attached some photographs that may prove helpful.

Yours sincerely,

P J WALKER MRICS
