

Mr & Mrs A howes

32, Amethyst grove

Waterlooville

PO7 8SG

To whom it may concern,

Description of proposed rear conservatory:

Conservatory consisting of a opal translucent polycarbonate roof system.

Windows to the front, French doors to the side.

Construction will consist of a wall either side of proposed conservatory and a dwarf wall to the front.

Constructed from brick and the wall either side to follow the same angle as the roof to keep the

Eaves height to a minimum. With the roof in between the two walls.

The proposed conservatory will be near the same as the adjoining attached property with the exception of it extending out 750 mm further and an additional wall on opposite side instead of plastic. Framing.

All brick work to be constructed same as house brick colour and construction.

Exact dimensions of proposed conservatory

Projection out from rear of property. : 3.9 meters

Width: 5.5 meters

Height at eaves: 2.4 meters

Height at highest point: 2.9 meters

To ascertain how much of an impact to existing and surrounding properties, this construction should not have any adverse effects to right to light to the adjoining property as a conservatory with a high wall already exists of an height of 2.670m .and a 50 foot bank of tall trees to the rear facing tempest road. And the projection of this construction will only extend past there building/conservatory by 750mm.

We have no building contractor as we are doing a self build project.

Adjoining property numbers are 30 & 34 amethyst grove.

Sincerely.

Mr & Mrs. a howes
