For the attention of Mr D Eaves

Dear Sirs

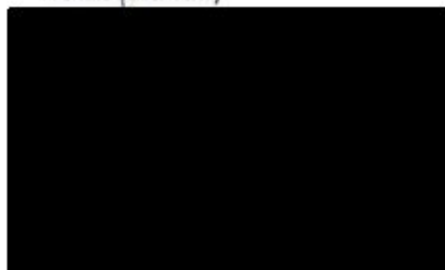

HOPFIELD HOUSE, MARALYN AVENUE, WATERLOOVILLE.

Further to our meeting on 2nd July 2013, we confirm the following:-

- a) The roof spaces to be converted are owned by our client and are not part of the freehold/leasehold of other residents.
- b) Our client has rented two of the garages for the exclusive use of the tenants of the proposed new flats. He is happy for this to be a condition of the Planning approval. Certificate B has been completed and notice serviced on the owner, Mr Simpson.
- c) We enclose amended plans and copies of Certificate B.

We hope this covers all your concerns and the application can now be determined favourably.

Yours faithfully
