

Highway Comment

The vehicle access shown is a pedestrian crossing point not a vehicle access! The applicant will need to replace the 2 parking spaces for 15 Lockerley Road and will need to apply to HCC Highways for a licence for the new dropped kerb at 15 Lockerley Road, they will also have to apply for a new vehicle crossing for the new dwelling. Access onto a junction at this angle is not safe in highway terms, as mentioned this is the pedestrian crossing point and causes a conflict. Therefore a recommend deferment until the access to the parking is moved away from the junction and either accesses Lockerley Road or Swarraton Road an not at 45 degrees to them both.

Regards
Tracey
