Details of the pre-application advice received:

Dear Sir
Site Location: 4 Market Parade, Havant, PO9 1QF
Re: Proposed change of use. I am writing to you further to your enquiry received on the 19 March 2014 regarding the above address.
Using the information provided and having reviewed the planning history of the site the lawful use of the premises as a whole would appear to fall within planning Use Class A1 (shops).
The proposed Adult Gaming Centre, would fall within the D2 (Assembly and Leisure) Use Class and I can confirm that planning permission would be required to change to this Use.
In terms of merits of the proposal, the premises is located within what is regarded as a secondary retail frontage of the town centre and as such any change of use application would be subject to saved policy TC7 of the Havant Borough District Wide Local Plan which can be viewed here: <http://www.havant.gov.uk/saved-policies-havant-borough-district-wide-local-plan/town-district-and-local-centres>
Further to the policy named above, any application would be considered against the criteria set out under Policy C54 (Town, District and Local Centres) of the Havant Borough Councils Core Strategy, which can be viewed here: <http://www.havant.gov.uk/sites/default/files/documents/ADOPTED%20CORE%20STRATEGY%20FINAL%20VERSION.pdf>
The above policy is subject to two main requirements; the unit remaining open to the public (clearly complied with in this case) and that the proposed change of use would not unduly undermine the retail representation in the frontage. While I note that in this instance there will be a loss of retail, I am mindful of the fact that your business is relocating due to forced closure within the same Town Centre, and having discussed this situation with the Councils Economic Development Team (who in principle raise no objection), I am of the view that the proposed change would not be considered contrary to policy and would therefore likely be supported. In light of the above information I would encourage the submission of an application for the proposed change of use and I have included a link to the relevant form and guidance notes to enable you to pursue an application (the fee for which would be £385): <http://www.havant.gov.uk/development-control/planning-application-forms-and-guidance-not-es> (form no.4)
Please note that the above comments are the opinion of an individual Planning Officer and are in no way binding upon the Council when determining an application for planning permission and nor will they prejudice the outcome of any application submitted.
Yours faithfully
Mr D Gender-Sherry Enquiry Officer
