Dear Planning,

RE: Application to fell a tree with a TPO

Further to my recent correspondence with the Council Arboriculture Officers. Please find enclosed my application for permission for the Lombardy Poplar in my garden to be felled.

The tree was recently damaged by works carried out by Hampshire County Council and the neighbours and I have concerns the tree leans and is dangerous due to its size, leaning and location – this alongside any further problems the recent damage will now cause.

I have enclosed:

- Application Form
- Reference A – my supporting statement and reasons for the tree to be felled
- Reference B – supporting emails from the appropriate experts, Council Arboriculture Officers
- Reference C – supporting letters from neighbours and evidence from them the tree now leans more

I look forward to hearing from you soon

Regards
