Subject: RE: APP/13/00435 – 1 Lavender Road – Installation of Shopfront

Good afternoon Richard,

I had a look at the proposal (proposed elevation) and the signage. Although lux levels, spread of the illumination from the source should not be detrimental to the residential properties.
I do not have comments on this part of the application

I hope this helps
Kind regards
laurent

Hello Laurent

Thank you for your comments on this application, in which you have referred to details of advertisements. These details are included under application reference APP/13/00456 – I'm sorry we didn't consult you on this – would it be at all possible to have your comments within the next week?

Thanks

Richard
