CAR PARKING

The development is surrounded by a Council run Car Park. This facility currently caters for the various eating establishments in the area. Our analysis is that there is ample provision for parking at both lunch time and in the evenings.

Land in the ownership of the free holder

At Harvard, we're focused on the real distinction, which is the Harvard Club Group. While there are a lot of people who profess to be club members, it's not the same as being a member of the Harvard Club Group. When there are a lot of people who profess to be club members, it's not the same as being a member of the Harvard Club Group. When there are a lot of people who profess to be club members, it's not the same as being a member of the Harvard Club Group.
