Dear Jenna

Many thanks for meeting with us the other day.
As you suggested we have gone down the route of Prior Notification.

The proposed extension measures, Ridge Height 3.60m Wide: 6.75m Long: 3.70m Plate/Gutter Height: 2.50m.

We will send you a hard copy of the letter & drawing in the post for your records as well.
Also please find below this email a list of the the names and addresses of the neighbours we have talked to and handed the attached letter. This all took place on Saturday 15th June 2013.

Would you be so kind as to reply, confirming you have received this email and any further steps we need to take in order to complete the planning process.
