For the attention of Mr D Eaves

Dear Sirs

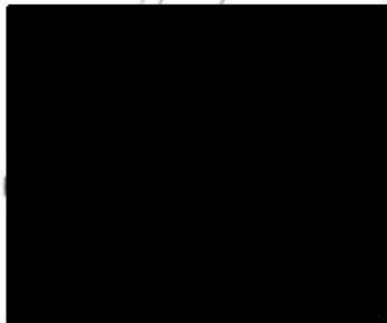

23 WEBB LANE, HAYLING ISLAND.

Further to your site meeting and subsequent e-mail dated 4th March 2014, please find attached our re-submission. As suggested, please withdraw the earlier application.

To clarify its usage, the first floor is for the equivalent of home office use only. There will be no deliveries or visitors associated with this use.

The hard-standing area will be laid to fall towards the new planted area on the site. The existing concrete in this area is to be removed and hedge and boundary planting to consist of a mixture of mainly evergreen shrubs and bushes.

Yours faithfully
