25th March 2013

THE FOX, PROSPECT LANE, HAVANT, PO9 5PA

Dear Mrs. Haywood,

Thank you for your letter of the 6th March 2013 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

This general area of Havant suffers with a high level of acquisitive crime. Those using the Automatic Teller Machine (ATM) will be vulnerable to crime. To reduce the vulnerability of those using the ATM I recommend:

1. The installation of Closed Circuit Television (CCTV) cameras to provide images of those using the ATM and the general area about the ATM.
2. An appropriate level of lighting is installed, the lighting should work in conjunction with the CCTV cameras.

Theft from shops is a fairly common occurrence within the local area. The layout of the shop lends itself to theft from the shop; the till point is some way from the door and till staff cannot easily oversee the whole store. To reduce the opportunities for theft from the shop some consideration should be given to:

1. Re-arranging the internal layout to provide some policing of the access / egress
2. The installation of a CCTV system with cameras deployed within the shop

Hampshire Constabulary

Chief Constable Andy Marsh

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

S York
