Dear Mrs Clark

Re: The Town and Country Planning (Tree Preservation Order)
Regulations 1999 - Oak Tree in rear garden in
25 Bacon Lane Hayling Island Hants PO11 0DN

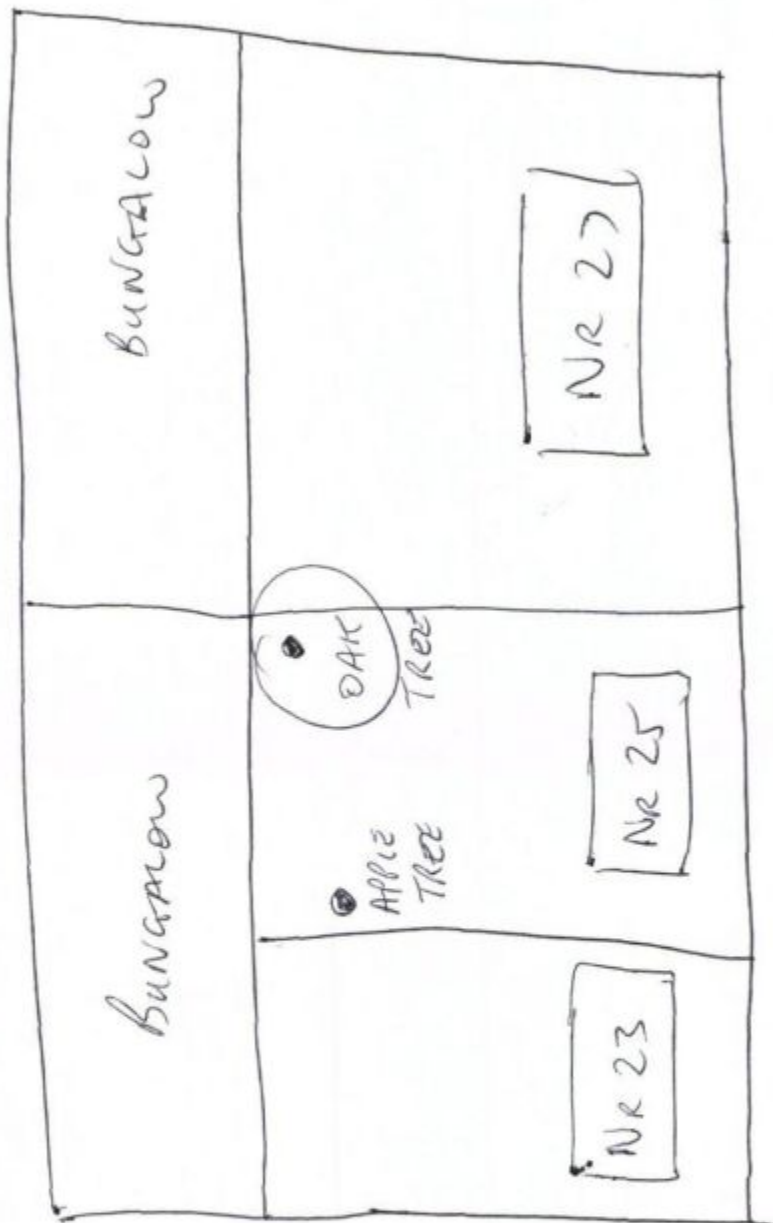

I refer to your letter of 3RD September 2012. I require
the oak tree to have its crown reduced by 20% and
the crown thinned by 15%. I also require the removal
of all dead wood, crossing branches and epicormic
growth. This oak tree is the subject of TPO 246.

I attach a sketch showing the location of the oak tree.

Yours Sincerely
