17<sup>th</sup> June 2013

Dear Mrs Clark

Your ref: APP/13/00349 - Old Dairy Farm

I can confirm that this application is for the retention of the existing security light.

The bed & breakfast is approximately 300 metres from Long Copse Lane and the light ensures guests using the facilities of the bed & breakfast can safely walk and see their way up the driveway to the house after returning from dining out at Westbourne and Emsworth.

There is no other lighting along the drive and with prior arrangement with the guests, we ensure the light is on for their safety and wellbeing. The light is positioned facing North East so as it doesn't shine towards neighbouring properties. It is approximately 7.5 metres high.

The have also experienced theft of horse jumps and equipment so the light also acts as a security light, if the dogs are disturbed during the night we are able to put the light on to investigate.

Yours sincerely

  
Adrian Williams
