16th October 2013

FORMER COUNCIL DEPOT, HARTS FARM WAY, HAVANT

Dear Mrs. Smith,

Thank you for your letter of the 1st October 2013 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

This is an area from which we receive complaints of theft from commercial premises. To provide for the security of the building I recommend:

1. The installation of a boundary treatment at least 2.4 metres high. Any gates within the boundary treatment should be: of a similar height to the adjacent boundary treatment, of robust construction and capable of being secured.
2. The installation of external lighting, the lighting should provide an even light across the external area
3. The installation of a Closed Circuit Television (CCTV) system. The lighting should be designed to provide for the effective operation of the CCTV system
4. An intruder alarm should be installed within the building.

Hampshire Constabulary

Chief Constable Andy Marsh

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

S York
