Dear Mr. Andrews,

Thank you for your email of the 28th February 2014 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

As proposed the access doors are to the sides of the dwellings, this reduces the visibility of the front door and creates a blind area to the side of the property. To improve the security of the dwellings the front doors should be brought to the front of the properties.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

S York
