Subject: 14/00092/REM Town Park Phase A - details

Hi

I have received a copy of the amended plan of the Town Park planting details from Savills (D2050 L.TPA.301 Rev A) I have checked it and can confirm that the changes that were requested have been made.

In summary, the proposed planting around the play area had been inappropriately ornamental. Both Julie and I asked if the planting could be more 'native' in composition to better reflect the ecological objectives for Berewood's green infrastructure.

Regards

Stuart
