SIGA 39

SIGA 39 is an outstandingly successful first selection slate that is flat, uniform and of constant thickness. It's minimal sorting requirement enables fast paced installation, contributing to its popularity. It's aesthetically pleasing blue grey textured finish, combined with its A1T1S1 rating, makes it the obvious choice for both new build and refurbishment projects, giving a long-lasting beautiful roof finish.

SOURCE:

San Vicente Region, Spain

COLOUR:

Blue Grey

TEXTURE:

Textured

THICKNESS:

5.5mm

SIZES AVAILABLE:400 x 250mm, 500 x 250mm,
