Dear Mrs. Haywood,

Thank you for your letter of the 27th March 2013 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

The proposal creates a number of additional rooms. To provide for the security of residents and visitors I would recommend that all new external doors and windows are certificated to PAS24:2012.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

S York
