

Planning Application Response of Planning Policy / Urban Design

Application No:	APP/13/00398
Site Address:	Asda, Hambledon Road, Waterloooville
Development:	Four pump PFS
Case Officer:	Sally Smith
Comments by:	Gareth Williams
Date of Comments:	20 June 2013

While the proposed development would reduce the number of customer parking spaces, the remaining provision would still comfortably exceed current standards. Given this, along with the enhancement of customer facilities (namely the new filling station), there are no policy objections to the proposal.
