Dear Mrs. Haywood,

Thank you for your letter of the 23rd October 2012 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

As proposed the layout works fairly well. This will be single storey extension to reduce the opportunities for crime and anti-social behaviour it is important that there are no features that will facilitate access to the roof. To that end consideration will have to be given to the location of the supporting pillars for the new porch and the rainwater down pipes.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

S York
