Dear Sir

Thank you for your letter dated 13 September 2013 regarding the above Planning Application.

The HA is an executive agency of the Department for Transport (DfT). We are responsible for operating, maintaining and improving England's strategic road network (SRN) on behalf of the Secretary of State for Transport.

The HA will be concerned with proposals that have the potential to impact the safe and efficient operation of the SRN. In this case the A3(M).

We have reviewed the Planning Application documents and offer no objection. A TR 110 is attached to this effect.

Kind Regards

Paul Gebbett
