Further to your email to Jeremy, please can you change the description for the current applications as follows:

We would also request that in relation to APP/13/00911 we wish to withdraw the consideration of 3(ii) j, o, p and u from the application. We would also request the withdrawal of condition 10 as this does not require submission.

I can also confirm that that all layout information is as on planting plan 1111-PP-300 Rev B.

I trust this responds to your queries,
Kind regards

Jackie
