5. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application? ☒ Yes ☐ No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title: Mrs	First name: Daphne	Surname: Haywood
Reference:	GEN/13/00576	
Date (DD/MM/YYYY): 11/09/2013	(Must be pre-application submission)	

Details of the pre-application advice received:

Parking to the rear of the proposed property is favoured, with access on the western boundary.
In principle, the development of the site with a 2 storey scheme for 6 flats with a similar footprint and height of development to that previously approved is likely to receive Officer support subject to demonstrate that there no adverse impacts on the mature poplar tree.
Elevational details need to be provided, adopted in regards to the Design Guidelines.
An Arboricultural Impact Assessment will be required to demonstrate that the development can be carried out without detriment to the existing mature Poplar tree.
It was noted that the number of parking spaces does not comply with the adopted standards, however it was noted that the site is well located for services. It should be considered that at least one visitor parking space should be provided. A travel statement should accompany the planning application.
A CIL form should be submitted.
