10th September 2013

HAVANT COLLEGE, BARNCROFT WAY, HAVANT, PO9 1QL

Dear Mrs. Lealan,

Thank you for your letter of the 22nd August 2013 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

The main access door is significantly recessed, which reduces natural surveillance of the door. I would recommend that this door is brought forward to the front building line.

The rear elevation of the building is not well overlooked (the current boundary treatment restricts visibility) which increases its vulnerability to crime. Therefore, I would recommend that doors within this elevation have a security certification of LPS1175 SR1 (or equivalent) and the windows are certificated to PAS24:2012.

Two vending machines are shown within the building, I recommend that these are cashless machines or that the cash is removed daily.

Hampshire Constabulary

Chief Constable Andy Marsh

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

S York
