Dear Mr. Cantwell,

Thank you for your letter of the 12th July 2013 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

The proposal places one dwelling to the rear of the plot. In this position there will be very little natural surveillance, which increases the vulnerability to crime. To mitigate this to some extent I would recommend that all external doors are certificated to PAS24 standard and all ground floor windows are certificated to PAS24:2012 standard.

To provide for the safety and security of residents and visitors and appropriate level of lighting will be required along the private drive.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,
