Havant Borough Council***

APP/14/00233

Dear Ms. Clark

Thank you for your e mail. As I understand it this tree has already had work carried out at the request of the highways department but on the other side.

***We would need to reduce the crown by a maximum of 1.5 meters.
We would not need to lift the crown nor thin the tree***

I hope this information is adequate to make the application valid

Many Thanks

Yours faithfully

Chris Hurley
