Subject: FW: Acolaid Case APP/13/01190 - Site of Salvador Caetano Coach Builders, Hambledon Road, Waterloooville

[The application form states](#) Variation of Condition 35 of Planning Permission APP/10/00793 to amend approved plans relating to: a reduction in height of the main building; alterations to glazing; alterations to highway layout; changes in landscaping and other small amendments which does not tie up with the web description Variation of Condition 35 of Planning Permission APP/12/00835 to amend the approved plans for the food store, car park, Petrol Filling Station and pedestrian ramp; those alterations to comprise extension to the atrium, minor alterations to the Petrol Filling Station Kiosk and a minor rearrangement of plant machinery on the roof.

Is there an alteration to the approved 278 road layout and are the County happy with the changes?
