This architectural elevation drawing shows a single-story house with a gabled roof. The central part of the house has a white gable end with a large rectangular window. To the left of the gable is a dark door and a small square window. To the right is a tall chimney and another dark door. The roof has two small square dormer windows. The entire drawing is composed of black lines on a white background, with some areas filled with horizontal lines to represent siding or shadows.
