Dear Sir/Madam

Advertisement Portsmouth News 14 November 2012 - Proposed Development at Redlands Lane Emsworth Hants PO10 7UT application by Mr Garry Miller

We are the joint owners of Redlands House 38-40 Longcopse Lane Emsworth. By virtue of the common law presumption of *ad medium filum* we claim the ownership of one half of the width in the access track known locally as Redlands Lane for the length that this is contiguous to our property contained in title number SH6069. We wish to make clear that as such owners we would not be prepared to allow any works or access that were inconsistent with that ownership.

Yours faithfully,

R and N Gilrairie
