**The Town and Country Planning (Development Management Procedure) (England) Order
2010
Refusal of Planning Permission**

Application Number: APP/13/00573

Site Address: 10 Elm Park Road, Havant, PO9 2AD

Proposal: Two storey side extension.

Further to your application received on 12 June 2013, Havant Borough Council, as Local Planning Authority, **Refuses Planning Permission** for the above proposal.

The reason for the Council's decision to refuse planning permission is:

- 1 The development by reason of its height, width and proximity to the shared boundary with 12 Elm Park Road would result in the semi-detached dwelling appearing unbalanced with the erosion of space to the site. The result would be a development that creates a loss of space and openness within the street scene to the detriment of the visual amenity and character and appearance of Elm Park Road. Further the proposal could lead to an unacceptable precedent, which if replicated would result in a 'terracing effect' of development along Elm Park Road which would significantly alter its prevailing character and appearance. The development therefore conflicts with the principles and requirements of Policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.

In coming to its decision the Council considered plans and other documents submitted with regard to your application and the relevant policies of the Havant Borough Local Plan and other planning policy documents including the National Planning Policy Framework 2012.
