- 2 Construction of the building hereby permitted shall not commence until samples and details of all external facing and roofing materials shall be submitted to and approved by the Local Planning Authority. Thereafter only such approved materials and finishes shall be used in carrying out the development.
Reason: To ensure the appearance of the development is satisfactory and having due regard to policy CS16 of the Havant Borough Core Strategy 2011 which form part of the Local Development Framework and National Planning Policy Framework, March 2012.

All such measures shall be undertaken and fully adhered to at all times whilst such implementation is in progress. Any such tree which is nevertheless seriously damaged during that implementation shall be replaced within 6 months of the occurrence of such damage by another of the same species in the same position and of not less than Extra Heavy Standard when planted.

Reason: To safeguard the continued health and presence of such existing vegetation and protect the amenities of the locality and having due regard to policies CS11, CS16 and DM8 of the Havant Borough Core Strategy 2011 which form part of the Local Development Framework and National Planning Policy Framework, March 2012.

- 5 The garage hereby permitted shall be retained and kept available for the parking of cars at all times and shall not be converted to living accommodation without the prior written approval of the Local Planning Authority.
