I have no adverse comments on this application providing a condition is imposed that the parking is provided in the position shown on the submitted plan. With regard to the hours of work I will leave the Planning Authority it to decide if a condition is needed.

Hi Pip

Please can I have your comments concerning the above application. An amended plan and details were provided showing positioning of customer and staff parking, hours of operation and site arrangements.

If you need any additional information let me know.

Kind Regards

Stephen
