Dear Michael

This year (2002) has been a good year for us as the foot and mouth and the bad weather subsided and allowed us to use the field you kindly provide for our model flying.

We have ensured that all members who use the field are fully insured and follow the guidelines of use which we agreed at the start and will continue to do so. We have now informed all members to park in the entrance and not in the field for the duration of the winter whilst the field is soft, as per your instructions.

When we first had discussions about the field I did say that we were prepared to pay for the use of the field although a figure was never mentioned. There are not a lot of members and therefore our funds are limited however, I have enclosed a sum of £250.00 which I hope you will find sufficient.

May I take this opportunity on behalf of the members to say a big Thank You and trust that we may all look forward to an even better and brighter future in 2003 and may we wish you and your family a very happy Christmas.

Yours Sincerely

Clive Jolley,
Secretary.
