

This drawing has been prepared for the purpose of Planning and/or Building Regulations approval, and should not be used for any other purpose.

All dimensions to be checked on site and any discrepancy between the dimensions shown on this drawing and those to be used in preference to called dimensions.

This drawing is the property of the client and must not be reproduced in part or whole, or deviated from, without their permission.

It is essential that prior to commencement and during construction, the client is kept advised of any changes, specification and any discussions with the client, any inconsistencies, anomalies, non-industry standard features or other concerns.
