Subject: FW: APP/13/00266 - Residential application Havant Retail Park
Importance: High

Sally,

Please find attached a copy of the information shared with the developer regarding the lack of school places in that part of Havant. What it shows is that there are no surplus places for Year R pupils (pupils starting primary school for the first time) and forecasts show this trend continuing with the schools becoming full. The proposed development will add to the shortfall in places and I am seeking a contribution to expand the Bidbury Schools.

Kind regards,
Martin Shefferd
