Dear Mrs. Haywood,

Thank you for your letter of the 12th September 2013 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

Further to my letter of the 5th August 2013. I note that some changes have been made to the parking arrangements to reduce the number of rear parking areas; thus improving the security of the adjoining dwellings and motor vehicles.

However, the comments contained within my previous letter reference the proposed future pedestrian access and the car ports are still relevant.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,
