Subject: FW: Acolaid Case APP/13/00789 - 3 Heatherton Mews, Emsworth, PO10 7QQ

Heatherton Mews is not adopted therefore the removal of the garage ca not be prevented or refused by the Highway Authority on highway safety grounds as the effect on the residual cumulative impact of the development on the surrounding highway network can not be defined as severe.
However the loss of the garage may cause amenity/safety problems but this is a decision that will be made by the Planning Authority.
