KEY:

- New bitmac path with timber board edges
- New grassed areas
- New resin-bound gravel
- New block pavers
- New planting and trees
- Existing trees

Design principles:

- The existing unused frontage will be brought into use and opened up by removing the existing hedge and introducing a series of sweeping paths and central plaza spaces. Additional features are proposed to enliven the space, including sculptural play features, seating, archways, a tactile maze, and tree and groundcover shrub planting.
