24th April 2013

CROWN BINGO AND SOCIAL CLUB, SOMBORNE DRIVE, PO9 5AN

Dear Miss Shore,

Thank you for your letter of the 8th April 2013 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

The area of the Greywell Shopping Precinct (opposite) is an area from which we routinely receive complaints relating to crime and anti-social behaviour.

The proposal effectively creates a screen at the front of the building. The screen will prevent natural surveillance of the northern front side of the building from the road. It will be possible to climb over the screen. This will provide opportunities for crime (attacking the access door or the bingo machines) and anti-social behaviour.

To reduce the opportunities for crime and anti-social behaviour some type of barrier should be put in place so as to prevent access behind screen by climbing over the screen.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,
