

HALIFAX PLC  
111 London Road, Waterloooville, PO7 7EQ

## **Planning Statement – May 2013**

---

### ***Proposal***

Halifax wishes to install new external signage to improve the branch's visibility within its London Road location.

### ***Policies***

The proposed installations do not contravene any local plan policies and are deemed appropriate for the branch. In particular it is felt that the signage installation will not have a detrimental effect on any other London Road businesses, or London Road itself.

### ***Consultations***

There have been no consultations with neighbours, local planning authority or other local authority members.
