Subject: FW: Acolaid Case APP/13/00722 - Former Site of, 20 The Crescent, Waterloooville

These two units should have 3 parking spaces according to the HBC Parking Standards each but they only have two. The amenity aspect of the reduced parking is a matter for consideration by the Planning Authority but does not warrant a refusal on highway safety grounds.

I recommend permission subject to;

- D45 two spaces per property and the provision of cycle facilities
- The provision of a new dropped kerb
