

Architectural drawing of the South Elevation of the building. The drawing shows a multi-story structure with a brick facade on the upper portion and a patterned facade on the lower portion. The upper portion features a large, irregular brick wall with a central staircase and a section labeled "CLIP TUNNEL". The lower portion has a grid of windows and a section labeled "CLIP TUNNEL".

Architectural elevation drawing of the West Block. The building features a central section of red brick with a grid of windows, flanked by white brick sections. A street scene is depicted at the bottom, showing a car and a person walking.
