15th September 2013

HAYLING ISLAND POST OFFICE, 5 ELM GROVE, HAYLING ISLAND, PO11 9EB

Dear Miss Shore,

Thank you for your letter of the 23rd August 2013 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

The design and access statement details the security arrangements for this Automatic Teller Machine (ATM). However, the design and access statement does not clearly state the proposed locations of the Closed Circuit Television (CCTV) cameras. Therefore, to provide for the safety of those using the ATM and those replenishing the ATM I recommend that (CCTV) cameras are installed:

1. Outside to provide images of those using the ATM and the general area about the ATM.
2. Within the post office to provide images of those replenishing the ATM.

An appropriate level of lighting will be required to ensure the effective operation of the CCTV cameras at all times.

Hampshire Constabulary

Chief Constable Andy Marsh

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

S York
