Dear Mr Harris

Further to our meeting this afternoon and in particular the height of the boundary wall, as discussed I do have concerns regarding the proposed height, however, I consider that a height of 1.4m may be acceptable, but would like to see a revised elevation before confirming this .

Therefore could you please provide an amended plan for a 1.4m high wall. For this to be taken into consideration this should be emailed to me no later than Monday 15 April 2013.

regards
