

I, David Paul Stockley of 50 Cross Way, Havant, Hampshire PO9 1NG hereby submit the following affidavit in support of the application for a Certificate of Lawful use that is being applied for by Hayling Heli's for the continuing use of the land know as Verner Common on Hayling Island.

I became a member of Hayling Heli's model helicopter club in 2004 and since joining have regularly flown model helicopters each year since on the same site known as Verner common. I would estimate that on average I fly on this site 30 to 40 times per year, and being a full time shift worker this can be at various times and on various days of the week allowed within the rules laid down by Hayling Heli's, although the weekends are more common.

The club had approximately 20 members when I joined in 2004, and this currently stands at 28. To the best of my knowledge Verner common has always been the only site available to, and used by Hayling Heli's since being formed by Clive Jolly in 2001 to the current day, now being run by John Barratt.

I exhibit Ordinance survey map DPS/1 with licence number 100047474 with the area highlighted in red as a plan of the area used by Hayling Heli's.

I David Paul Stockley make oath and swear that the information given above is true.

Sworn by the above named }
