Subject: APP/13/00883, Garages, Junction of Calshot Road and Larkwhistle Walk

Good morning Richard,

I have had a look at this application and would like to ensure that dust suppression system when the demolishing of the garages is used. this can be in simple term, spraying prior and during the area to be demolished to minimise the dust affecting the area.

I hope this helps but please do not hesitate to contact me if you have any queries

Kind regards

laurent
